The Department of Architecture of the University of Ferrara and Fassa S.r.l.
have pleasure of inviting you to attend the Award Ceremony of the

“International Prize for Sustainable Architecture” Fassa Bortolo
twelfth edition

Wednesday 4th October 2017 Palazzo Tassoni Estense
University of Ferrara - Department of Architecture

The 'International Prize for Sustainable Architecture Fassa Bortolo' was conceived in 2003 by Fassa S.r.l., owner of the trademark 'Fassa Bortolo', and the Department of Architecture of the University of Ferrara, in order to widely promote and publicize environmentally sustainable architectural projects designed for human needs and able to meet the needs of present and future generations by limiting pollution and the indiscriminate consumption of resources.

The Prize is therefore open to new works, redevelopments, existing building expansions, urban-scale interventions, landscape design and any other project that clearly expresses the ideals of sustainability.
